MOYNE HEALTH SERVICES CELEBRATES 175 YEARS

This year marks 175 years of providing healthcare services to the Port Fairy, Koroit and surrounding communities.

First established in 1849 on Regent Street Port Fairy we are Victoria's oldest rural hospital. Evolving over the years Moyne Health Services has become a responsive, community-based organisation employing more than 220 staff. Our unique partnership with our local community reflects a distinctive level of cross-generational support that traverses many generations of local families.

To celebrate our 175th anniversary, Moyne Health Services is holding a celebration/ fundraising event on 1st June at the Port Fairy Bowling Club. It promises to be a fun night with a 3 course meal included.

A goods and services auction will be held on the evening and we have been well supported by various local businesses. A full listing of donations will be made available once finalised.

Tickets are $75 per person and are available by calling 5568 0100 or by visiting reception at 30-36 Villiers Street Port Fairy.
